# LGBTQ+ Services at Dayton VA Medical Center

*Dayton Veterans Affairs (VA) Medical Center is committed to providing high quality care to Lesbian, Gay, Bisexual, and Transgender (LGBTQ+) Veterans.*

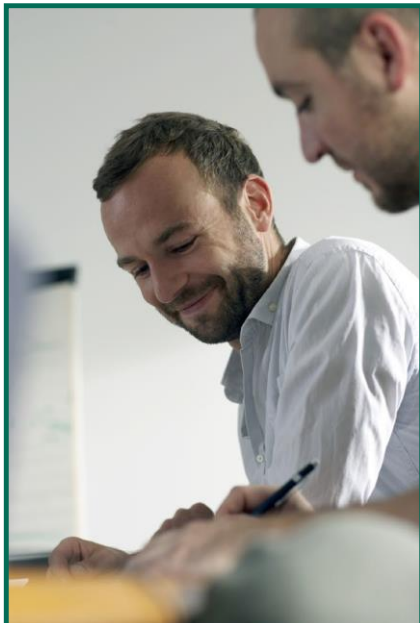

## VA Takes Pride in Serving LGBTQ+ Veterans

National VA policies protect and support all Veterans. The LGBTQ+ Program:

- Advises the VA on policy
- Offers training for VA staff
- Provides health care coordination for LGBTQ+ Veterans

Every VA facility has at least one LGBTQ+ Veteran Care Coordinator to assist LGBTQ+ Veterans and consult with VA staff who serve LGBTQ+ Veterans (Dayton VAMC has three!).

We understand that LGBTQ+ Veterans have unique needs and we're committed to providing the best care for all of our patients in a respectful, professional, and kind way.
